

Medical Form

Every camper needs to complete and bring a LLBC **Health History form every year** with current information. This form is enclosed. Bring this form with you to camp when you register; **do not mail it**. Physical exams are **no longer** required by the State. In the event that you lose the Health History form, you may find one on the camp's website www.lakelundgrenbiblecamp.org.

Medications: All medications brought to camp (prescription & non-prescription) must be turned in to the Camp Health Supervisor at registration. Medications must be in properly marked containers with name of camper, name of medication, dosage, frequency and route of administration.

Please do not send non-prescription medications or vitamins, unless necessary for your child. Camp has basic non-prescription medications on hand.

You can be assured that the best possible care will be given to your child if a need arises. All medical expenses incurred are the responsibility of the camper's family. LLBC has excess medical insurance that will help beyond your own insurance coverage.

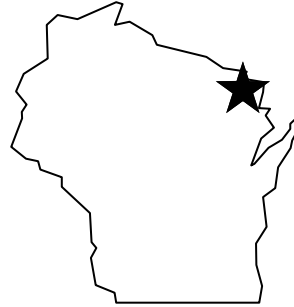

Birthdays at Camp

Please inform the cabin counselor of any birthdays to be celebrated at camp. The kitchen will be notified and special recognition will be given to the camper on that day.

Directions

LLBC is located in far northeastern Wisconsin off Highway 8, 2.5 miles west of Hwy. 141 in Pembine and 6 miles east of Dunbar. Turn south on **Lundgren Lake Road** at the camp sign on Highway 8, then follow the signs to the camp parking area. We are about an hour and a half north of Green Bay, and half an hour south of Iron Mountain, Michigan.

Summer Camper Information Sheet

We are looking forward to having your child attend Lake Lundgren Bible Camp. Please read this brochure very carefully as there is information that will help prepare you and your camper for a great week of camp.

Camper Arrival and Pickup

Summer camp registration is from 1:00 pm to 2:30 pm on Monday. Each camp ends after the noon meal, around 1:00 pm, on the following Saturday, except Junior Camp 1, which ends on Thursday, and Junior Camp 2 which begins on Tuesday and ends on Friday.

If special circumstances make it impossible for you to fit into this schedule, please make arrangements in advance with our office.

NOTE: No fee adjustments are made for late arrivals or early departures.

Cancellations

If you need to cancel your registration, please notify us as soon as possible. Your courtesy may help another camper be able to attend. However, as indicated on our brochure the registration fee is **not refundable or transferable**.

(715) 324-5457 * camp@llbc.org * www.llbc.org

Standby Information

If a camper's first and second choices of camp weeks are full, they will receive a notice that they have been placed on a standby list for both choices.

You will be notified as soon as possible when there is an opening. The registration deposit is refundable *if there is no opening*.

Please keep us posted if your plans change and you want to be removed from a camp week or from the standby list.

Buddy Requests

Many campers come without a buddy and find they make new friends. A goal in cabin assignments is to provide a mixture of campers from different areas. This encourages campers to make new friends and discourages cliques.

Camp will make every effort to honor buddy requests. Those who have requested a buddy (who has also requested them) will be put with that buddy. No more than three buddies will be assigned to the same cabin, and all three must have listed *each other*. ***Please do not ask to have exceptions made.***

Spending Money

Although it varies greatly, most campers bring between \$10 and \$25 as spending money. This can be used for crafts, missionary offering, the Canteen, or the Camp Store. The Canteen and Camp Store are open every day, including registration day and the closing day of camp for parents to shop. We recommend that campers turn their money in to the Camper Banking system on registration day. A mixture of one and five dollar bills is preferred.

**Camper's Name, Camp Week, Cabin Name
Lake Lundgren Bible Camp

Please do not bring or mail packages of snacks. Food in the cabins attracts insects and rodents. Snacks may be purchased at the Canteen.

Calling Home or Calling Camp

After working with campers over many years, we have found it best that campers not call home. If there is a specific reason one must make a call home, it is our procedure to have a camp leader with the camper as they call. The leader will stay with the camper by the phone to answer any questions a parent may have. We ask that parents call only in case of emergency.
